

# Your Service dashboard

We are proud to introduce you to your **Service Dashboard**, a new page accessible from the support portal.

It provides information on your active support and/or hosting contracts.

Once logged in the support portal (<https://support.valiantys.com/servicedesk/customer/portals>), at the top-right of the page, click on your account avatar then "My Service Dashboard".

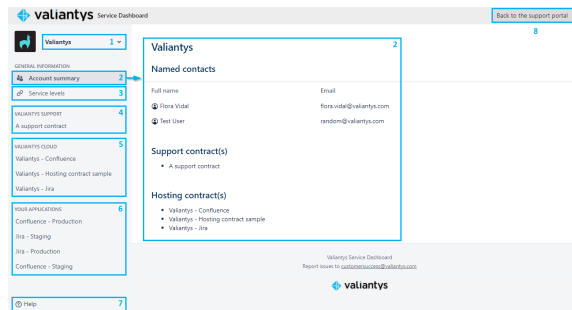

And here's the [direct link](#).

Let's have an overview of the information displayed :
